WORK EXPERIENCE

Graphic Designer

Phoniex Design Lab (Present) 2021-2023

- Created compelling visual materials for various clients, adhering to their brand guidelines and enhancing their marketing campaigns.
- Designed engaging graphics for print and digital media.
- Collaborated with cross-functional teams to brainstorm and execute creative concepts that effectively communicated client messages.
- Assisted in monitoring and managing online posts and advertisements, ensuring consistent and impactful visual communication.

Junior Graphic Designer

RS Media Agency 2020-2021

- Contributed to the design and layout of advertising materials, such as flyers, banners, and promotional materials.
- Assisted senior designers in creating visually appealing graphics for online and offline marketing initiatives.
- Gained proficiency in using industry-standard design software, such as Adobe Creative Suite, for creating and editing graphics.
- Worked closely with the marketing team to understand client needs and tailor designs to meet specific requirements.
